I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I was disabled for the part of
last month until I began taking
my compound mt. My professional
life suffered grievously! I truly
thought I was going to have to file
for disability.
